## **We'll search every mortgage company**

Our advisers are 'whole of market' which means they can search every mortgage company. We have exclusive mortgages that you won't find on the high street.

## **You'll get all the advice you need**

Unlike banks and building societies that are unable to advise you on what is right for you, the only service we offer is full advice and recommendation.

The mortgage market is complex and ever changing so making sure a professional helps and advises you is essential. After all, getting it wrong can cost you thousands.

We'll make sure, after understanding your needs, that we recommend the perfect mortgage for you.

## **We'll save you lots of time and effort**

You'll have your own dedicated processing team who takes care of all the paperwork, phone calls and updates from start to finish.

From liaising with solicitors, the agents and the mortgage company our job is to take away the hassle from you.

## **We'll keep you up to date 24 hours a day**

We understand that many people lead busy lives so you might find it difficult to speak to us during the week. So, you'll be set up with your own online file where you can see how your mortgage is progressing. This is available for you to view 24 hours a day, 7 days a week. Great!

YOUR HOME MAY BE REPOSSESSED IF YOU DO NOT KEEP UP REPAYMENTS ON YOUR MORTGAGE
